GUIDELINES FOR WRITING DE JURE LEGAL RESEARCH JOURNAL

The De Jure Legal Research Journal is a scientific magazine that publishes scientific papers on research results in the field of law. The De Jure Legal Research Editor accepts scientific papers from research in the field of law that have never been published or are being submitted for publication in other publication media. The submitted paper will be discussed by the Editorial Board together with experts pursuant to the scientific field to determine its eligibility for publication. The paper shall be written in Indonesian language, submitted in the form of a soft copy from Microsoft Word application program using Times New Roman font in a maximum number of 20 sheets (two columns), with A4 paper size (Paper template can be downloaded in the menu bar on the right). The paper shall be submitted online via <http://ejournal.balitbangham.go.id/index.php/dejure/>. **We do not accept and process papers/writing sent via editor's email.**

Writing Systematics:

Title

The title shall be written in 2 languages; the Indonesian version shall use Times New Roman font in capitals (uppercase), font size: 13; the English title shall use lowercase letters (*Capitalize Each Word*) in Times New Roman font, italic, font size: 13. The title shall be written in a maximum of 14 words.

Researcher's Identity

Shall be typed under the title and include the researcher's name without title, place of work, work unit address, as well as telephone and/facsimile number, and the researcher's email address, shall be typed using bold font style.

ABSTRACT

The Abstract shall be written in two languages: Indonesian language and English, accompanied by keywords of at least 3 (three) words and a maximum of 5 (five) words. The Abstract shall contain background, objectives, uses, methods, discussion and analysis, conclusions, and suggestions without pictures, tables, or references. The Abstract shall be typed in one space; 150-200 words (one (1) paragraph), typed in Times New Roman font; font size: 11; typed in Indonesian language (regular font style) and English (italic font style).

Keywords

Describing the problem domain that is researched and the main terms that underlie the implementation of the indexed research. Shall be typed in Times New Roman font, size: 11, in Indonesian language (regular font style) and English (italic font style).

INTRODUCTION

The introduction shall include the background of the problem, the statements of the problem (question sentences in the form of a narrative) as well as the objectives and benefits of the research, and a summary of theoretical studies relating to the problem which is researched. Citations (references) shall be inserted using Mendeley tools, Turabian 8th edition (full-note style). The maximum length of the introduction is 4 pages using a *special first line 1 cm* paragraph format (Times New Roman font, font size: 11, spacing: 1).

RESEARCH METHOD

The method shall contain the type or characteristics of the research, data sources, techniques and procedures for data collection and data analysis. Citations (references) shall be inserted using Mendeley tools, Turabian 8th edition (full-note style). The maximum length of the research method is 1 page. The paragraphs shall use *special first line 1 cm* paragraph format (font: Times New Roman; font size: 11; spacing: 1).

DISCUSSION AND ANALYSIS

The discussion and analysis in the article shall aim to answer the statements of the problem and research questions, show how the findings were obtained, explain the meaning of the research results, how the research results can solve the problems and the possibility of its development. The discussion and analysis must answer the research problems and objectives. Sub-sections can be made pursuant to the subject matter. Citations (references) shall be inserted using Mendeley tools, Turabian 8th edition (full-note style). The maximum length of the discussion and analysis is 10 pages. The paragraphs shall use *special first line 1 cm* paragraph format (font: Times New Roman; font size: 11; spacing: 1).

CONCLUSION

Containing matters that state the relationship between the variables which were researched. Made in paragraph form, not in bullet points. The conclusion must answer the research's problems and objectives. The conclusion is not a summary and is not a rewrite of the discussion. The first paragraph shall be written left aligned, parallel to the chapter title. The maximum length of the conclusion is 1 page. The paragraphs shall use *special first line 1 cm* paragraph format (font: Times New Roman; font size: 11; spacing: 1).

SUGGESTION

Containing suggestions that need to be conveyed in relation to the proposed paper theme. Made in paragraph form, not in bullet points. The maximum length of the suggestion is 1 page. The paragraphs shall use *special first line 1 cm* paragraph format (font: Times New Roman; font size: 11; spacing: 1).

BIBLIOGRAPHY

Shall be inputted by using *insert bibliography* on Mendeley tools. The main references are journal articles and books (published in the last 5 years), excluding laws and regulations and other sources. Additional references are laws and regulations and other sources. The maximum length of bibliography is 2 pages. The paragraphs shall use *special first line 1 cm* paragraph format (font: Times New Roman; font size: 11; spacing 1).
